# Kia Ora ... Welcome

As your hosts, we warmly welcome you to, what we believe is the charming Anakiwa 401 in the Marlborough Sounds – our home in paradise since 2008.

The property was built in circa 1926 and was one of the first houses in Anakiwa Bay. Originally, there was a guest house owned by the Hazelwood family, where the Outward Bound School stands today, with the surrounding land being a sheep farm. The family then built a house for their Farm Managers - this now is our Anakiwa 401. The house went on to be used as the local school for up to 13 children, hence the name of one of our rooms being The Old Library. And later, the house was owned by well-known New Zealand journalist and author Don Grady. It was in 1995, that the house welcomed its first guests as Anakiwa Backpackers.

Since then, it has undergone a few changes, most notably in the last 12 years. We believe we have renovated the property to a high standard whilst retaining its character and history. The quality separate private accommodation we provide our guests consists of The Bay View Apartment - a self-contained one bedroom apartment with a view of the bay), along with The Guest Wing - our two bedroom, two bathroom hosted holiday accommodation with a large kitchen/lounge/dining area, opening to a sheltered barbeque and outdoor dining area for guests to use. The numerous well-established kowhai, kahikatea and cabbage trees in the garden ensure many native birds including tuis, wood pigeons & fantails visit us in spring & summer with a wonderful dawn chorus. The lawn terraces & hammock garden provide perfect places to relax.

In 2014, after making some changes, we felt the time was right to respond to our guests' feedback that our accommodation is 'more than a backpackers', and change our name to Anakiwa 401 – Self-catering Guesthouse, one that better reflects its homely feel and yet retains the conveniences of self-contained accommodation.

Anakiwa 401 is conveniently situated between waterfront Picton & Havelock - the 'green-lipped mussel capital of the world'. And within a short drive, you have the famous Marlborough sauvignon blanc vineyards in Blenheim and the vibrant city of Nelson.

So let us introduce ourselves. We found Anakiwa 401 purely by chance, whilst travelling around New Zealand in a campervan on our honeymoon. After returning home to England, we decided a relaxed life in rural yet coastal paradise, working together in hospitality was the direction we wanted. So within 6 months, we, including our late dog Scruff, moved across the world to live in Anakiwa, New Zealand and haven't looked back since 😊.

Shayne has a background in children's entertainment, the building industry, participating and instructing water skiing & judo and locally, he is Vice-chair of the Tirimoana & Anakiwa Residents Association and has returned to teaching judo at Blenheim Judo Club along with being Head Coach for the Central Districts Area Judo. Tanya has worked in the travel & hospitality industries for many years in NZ, Spain and UK and here, is an active committee member of the Queen Charlotte Track Inc.

As we do not live in this part of the house, please let us know if you find anything broken or of any improvements you feel could be made to make your stay here more comfortable. We strive to ensure you enjoy Anakiwa & its environs as much as we do and that your stay at Anakiwa 401 is a highlight of your New Zealand holiday.

# FACILITIES

## BBQ

There is a BBQ available for you to use anytime on the main courtyard.

## Beach Towels

There is a box of beach towels beside the tub/sink by the front door, for you to use when swimming or going to the beach – please do not use your bathroom towels – thank you.

## Bicycles

There are bikes for use in bay, located in the bike rack by the main entrance door. Guests are welcome to borrow these for a couple of hours to ride around our bay roads only. You will need to book these with us. Should you wish to bike on the Queen Charlotte Track, mountain bikes can be hired from Sea Kayaking Adventures located at the end of Anakiwa Road tel: 574 2765.

## DVD Library

If you feel like relaxing watching a movie in your room, take a look at our DVD Library List page 20 and let us know your chosen movie/s.

## Electric Blankets

For your comfort, the Old Verandah bed is fitted with an electric blanket. Please remember, these may be used to pre-heat the bed before use and ensure they are turned off before going to sleep. There are hot water bottles in both rooms.

## Guest Computer

If you do not have a laptop or device with you, there is a computer available in the lounge of the Guest Wing to access the internet.

## Guest Laundry

We do *not* have a washing machine for guests to use, however there is a tub/sink by the front door you can use to hand wash your clothes and a washing line to dry them, on the Garden Terrace (up slope beside The Old Shed).

Picton Laundry is open 7 days from 8am-8pm, located at 81 High Street

Picton Laundromat is open 24 hours at 24 Auckland Street, 500m from the Interislander Ferry Terminal.

## **Guest Telephone**

You'll find this in the lounge in the Guest Wing. Calls to our local areas (Picton, Havelock & Blenheim), 0800 numbers or any number using a pre-paid telephone card, can be made using this telephone.

If you are on the Spark or Skinny mobile networks, you should have signal here. For Vodafone & 2degrees mobile signals are available down on the jetty.

## **Hairdryers**

You will find a hairdryer in each room for your convenience.

## **Hammocks**

You'll find hammocks in the front garden and 2 hammock chairs up on the middle terrace under the 'Conker' tree (horse-chestnut) for you to relax in.

## **Heaters, Blankets & Hot Water Bottles**

All rooms have heaters, blankets and hot water bottles in each room. Please ask us if you require more blankets.

## **Herbs**

There are fresh herbs on your left of the path coming up to the house. Feel free to cut these for your use (and weed the patch too if you like!).

## **In-House Entertainment**

Please enjoy the board games, playing cards, book exchange & guitar - all located in the lounge.

## **Outside Shower**

If you would like to shower off after coming back from the beach or wash the sand from your feet, there is an outside shower on the wall besides the path up to the Terrace gardens.

## **Recycling**

Recycling bins are in the main house kitchen - we recycle the following items:

- Glass

- Plastics

- Food & Drinks Cans

- Paper & Cardboard

## Settling your account

# THINGS TO DO

## Indoor Games

Board games, playing cards, book exchange & guitar are all located in the Guest Wing lounge – please enjoy them.

## Pool Table

Our dining room table in the Guest Wing is also a Pool/Snooker Table. Carefully remove the tops – balls & cues are on the wall. Please be considerate towards other guests when choosing a time to play.

## Outdoor Games

There is a selection of outdoor games in the kits by the front door – why not practice your golf putting skills, play boules, quoits or choose from our garden games set.

## Kayaks & Stand-up Paddleboard

Spend some time exploring the bay and nearby coastlines. Your chance to get close to NZ birdlife and if you're lucky, seals, dolphins & penguins too! Stable sit-on top double & single kayaks, stand-up paddleboard, paddle & life jackets provided. Please pre-book time with us. Borrow for a couple of hours.

## Mountain Bikes

See the Queen Charlotte Track or take a ride around the surrounding area by mountain bike. To hire a suitable bike, helmet & tools – contact Sea Kayak Adventures Anakiwa on T: 574 2765.

Or if you'd like a gentler ride, you can borrow one of our bikes & ride along the Link Pathway to the end of Anakiwa Road or around the roads in our bay. Ask us for details.

## Jetty Fishing

Relax at the end of the jetty with your fishing rod in hand watching the sunrise or sunset. If you don't have your fishing gear with you, you can use our guest rod & reel. There's a \$5 charge for this to cover sinkers, hooks, lines & general maintenance.

## Snorkel

Take an underwater look around near the beach - ask us for details.

## Swimming

Walk down the jetty and jump off the end – swimming here is safe and fun and there are steps for you to climb back up onto the jetty. Swim out to the swim platform close to the jetty (in the water from October-Easter only).

## Boat Cruises

Would you like to experience the Queen Charlotte Sound from the water? See some of the beautiful secluded bays with typical NZ baches (beach holiday homes), wildlife on the Sound and the native bush coastline. Ask us for details.

## Water-Skiing

Would you like to water-ski on the Queen Charlotte Sound? Never skied before but fancy learning? Ask us for details.

## Wildlife

The area is abundant with wildlife, so when you're in the garden or on the tracks, listen & look out for native birds such as the tui, bellbird, fantail, NZ wood pigeon, silvereye, sacred kingfisher, yellowhammer, weka & at night, hear the morepork. Although wild pigs and goats are usually shy, you may still see them on the track – we've seen them as close as the 1km mark from here.

Near or on the water, you may spot Spotted Shags, Pied Shags, Black Shags, Australasian gannets, Yellow-billed Spoonbills, Oystercatchers – South Island & Variable, Black Swans or even Little Blue Penguins.

You'll see 2 different types of starfish - the 11-armed Sea Star (largest starfish in NZ) is often seen clinging to the jetty piles in the water and look carefully – there are also many fish and we've even seen seahorses in the water from the jetty.

Sometimes seals make their home on the jetty & you'll often see them on the rocks or playing in the water along the coastline when you're kayaking.

We also have dolphins visit the bay and even orcas – so do keep a look out across the water.

In the evenings, walk down the steps on the jetty, turn off your torch and splash the water – you might see some Bioluminescent Organisms glowing in the water – it's an amazing spectacle. Bioluminescence is the ability of some animals and algae to glow in the dark. If it's warm enough swim with them – it's fantastic.

### **Plan and Prepare**

- If walking alone – tell someone before you leave where you are going and how long you expect to be.
- Carry drinking water with you.
- The weather in the Sounds is generally mild, but conditions can change quickly, so take warm & waterproof clothing with you.

# WALKS

## Queen Charlotte Track Walks

### **To the Glow-worms (10 mins one-way)**

In the evening, take a stroll along the first part of the track. Walk past the last few houses and then you'll enter the track. Walk over first bridge & up a small hill, then down and at the next bridge (track turns to right), turn off your torch - let your eyes adjust & be amazed at the magnificent display of glow worms.

### **To Davies Bay (45 mins one-way)**

This section of the famous Queen Charlotte Track follows an old bridle path - a wide & easy path running through mature forest with large beech trees. Davies Bay with its sandy beach is a perfect stop for a swim or picnic lunch.

### **To the Lookout (1½ hour one-way)**

Continue on from Davies Bay on the Queen Charlotte Track to a lookout, overlooking Ngakuta Bay with spectacular views of the Queen Charlotte Sound.

### **To Neville's Point (2½ hour one-way)**

If you want to walk a little further than the Lookout, you can walk on until you see a blue bollard -we've named this Neville's Point. From Anakiwa this is about 10kms one way - you will need to return by foot as no return by water taxi is possible.

### **To Mistletoe Bay (3-4 hours one-way)\***

Continuing on from the Lookout, the track passes through mature forest after ascending from Bottle Bay, into rapidly regenerating forest which supports large populations of waxeyes, tomtits, finches, fantails and wekas, then skirts some farm paddocks above Onahau Bay, before arriving at the Te Mahia Saddle and Mistletoe Bay. You can either do this as a 'day walk' and return to Anakiwa back on the Track or pre-book a water taxi to take you to Mistletoe Bay departing 8.50am from Anakiwa Jetty (Arrow Water Taxis) - \$30pp & walk back at your leisure. \*\* You could also walk from Lochmara Lodge to Anakiwa – approx. 5 hour walk – Arrow Water Taxi.

### **To Portage (6-8 hours one-way)\***

For a full day's adventure, walk on from Mistletoe Bay to Torea Bay. This path follows the ridge with views over both the Queen Charlotte and Kenepuru Sounds. Kamahi, manuka and kanuka are prolific here, protecting shrubs and trees that will soon grow to shelter the way. Book a water taxi to take you to Torea Bay departing 9am from Anakiwa Jetty (Arrow Water Taxis) - \$40pp.\*\*

*\* Please note: A QCTLC Track Pass is required for these walks as you cross over private land – \$12 per adult for a One Day pass or \$25 per adult for a 5 consecutive day pass - available from the ticket machine beside the kiosk in the car park.*

*\*\*If you'd prefer to walk to Mistletoe Bay or Torea Bay, and then take a water taxi back in the afternoon, you can do this; see our Water Taxis Price List on previous page.*

## **Local Walks**

### **Outward Bound Cross-Country Track (20 mins loop)**

Walk along waterfront & take 1<sup>st</sup> right along Lady Cobham Grove. Walk a little further and you will see a sign on your left for Outward Bound Cross-Country Track. Follow this, through paddocks, bush, leaving all gates as you find them. You will end up on the road beside Anakiwa 401.

### **Governors Bay Track (10 mins one way)**

This walking track leads to a wonderful swimming beach from Queen Charlotte Drive when heading towards Picton.

### **Coastal Loop Walking Track (1 hour loop)**

Drive 15 minutes towards Havelock and you'll see the sign for the **Cullen Point Lookout**. This walk follows the coastline around Cullen Point and has great views down the Mahau Sound & Mahakipawa Arm.

### **Link Pathway (for as long as you like 😊)**

Walk along waterfront until you see a gravel track on your left – this runs along the coast to the end of Anakiwa Road with some lovely views looking up the Queen Charlotte Sound. You're able to follow the Link Pathway, an off-road track, to Picton and most sections of the Link Pathway are now open towards Havelock. If you only want to walk part of it, ask us for details on The Link Bus service.

### **Cullen Creek Walkway (3 hours return)**

The Waikakaho/Cullen Creek Walkway follows an old goldminers' trail across the range between the Wairau Valley and Linkwater. Drive towards Havelock & turn left just before Linkwater Service Station, signposted Historic Mining Site/Waikakaho Walkway. This is an historically interesting section of the walkway starting at the site of the former mining town, Cullensville, crossing Cullen & Prospector Creeks, a spectacular sidle above the Creek hewn in places out of near-vertical rock walls by the miners to a private hut. Near this hut, a number of stone chimneys and foundations mark the location of a once-sizeable village.

### **Mt Stokes Tramping Track (4-5 hours return)**

The Mount Stokes tramping track requires strong footwear, warm & waterproof clothing and at least moderate fitness. The views make the 4-5 hour (return) walk worthwhile though. At 1203m above sea level, it's the highest point in the Sounds and has the only patch of alpine vegetation. Mt Stokes is a 1½-2 hour drive from Anakiwa. Turn off Queen Charlotte Drive into the Kenepuru Sound Road, drive past Portage, take the Titirangi Road until the fork in the road that directs you to Anakoha Bay or Titirangi Bay. The track is sign-posted & starts at this junction.

# PLACES TO VISIT

## Queen Charlotte Drive (towards Havelock)

Between here and Havelock, you'll see many **Arts, Crafts Studios & Galleries** that are well worth visiting – from pottery & jewellery making to bone carving, they all have their signs out on the Queen Charlotte Drive so you can't miss them. This road also offers fantastic scenery and views, as does the [Cullen Point Lookout Loop track](#) (see walks page), just a 15 minute drive from Anakiwa.

## Havelock...

..is located just 19km from here and is the gateway to the Pelorus & Kenepuru Sounds. It's home to Marlborough's marine farming industry and known as the '**green-lipped mussel capital of the world**', so be sure to sample the Mussels here. It's a quiet village with a great marina, boutique galleries & shops, along with a number of eating places – cafes, restaurants & the local pub, with walks and other activities to do here.

Walks – the **Waterfall Track** (1 hour return walk through native bush to a waterfall and great view of marina and township – starts at Inglis Street) & the **Motuweka Path** (45 mins return walk passing between the Havelock estuary where there is prolific birdlife and the port to the end of the South Mole.

If you want to know more about the early life of Havelock and get a new perspective on the modern life, go to the [Havelock Museum](#), which houses machinery and tools used in the saw-milling industry and items from the 1890s Gold Rush in nearby Wakamarina.

[Pelorus Mail Boat](#) (full day trip) – join the world famous Pelorus mail run and experience the way mail and supplies are delivered to those living in the beautiful Outer Sounds - the same way it's been done for decades.

[Greenshell™ Mussel Cruise](#) - ½ day trip departing Havelock Marina daily at 1.30pm visiting a Greenshell Mussel farm where you'll learn about the mussel farming industry and get to try the freshest steamed mussels, served with a glass of Marlborough Sauvignon Blanc.

## Pelorus Bridge Scenic Reserve

Pelorus Bridge is a tiny locality in Marlborough, where the Rai River meets Pelorus River 20 km on from Havelock towards Nelson. Surrounded by forest with towering beech, kahikatea and rimu trees bordering the beautiful Pelorus River, this Reserve is a place to relax and enjoy refreshing forest and river scenery, in one of the last stands of river flat forest in Marlborough. It's a very popular swimming, kayaking, canoeing, picnicking and fishing spot with a series of short walks to explore and not forgetting, you'll also find a little bit of Middle-earth magic in this area. Peter Jackson chose Pelorus Bridge as a filming location for a scene in *The Hobbit: The Desolation of Smaug*. The Pelorus Bridge Café here offers a variety of good café food, coffee & ice-creams.

[Pelorus Eco Adventures Kayaking](#) - explore Marlborough's pristine rivers as you navigate your own very stable inflatable Kayak, through an eye opening & exhilarating adventure down the Pelorus River. Fully guided, you'll experience the exact same locations as where the barrel scene in "*The Hobbit- The desolation of Smaug*" was filmed, as well as enjoy the peace and tranquillity of the native bush surroundings on the river. Tours depart Havelock or Pelorus Bridge.

## Picton

This waterfront town & port for the Cook Strait ferries, is located at the end of the picturesque Queen Charlotte Drive – about 25 km from here, and provides access by water taxi to the Queen Charlotte Sound. Take a cruise to **Ship Cove** - the site internationally recognised as Captain James Cook's favourite New Zealand base during his voyages of exploration, or visit **Motuara Island** - a predator free island administered by DOC and is now home to a variety of native species having struggled to survive, or died out on the mainland. Spend a half-day on the [Mail Boat Cruise – Beachcomber Cruises](#) delivering the mail and groceries to families that live in the various bays and inlets or go **Dolphin Swimming & Viewing with E-Ko Tours** – seeing these magnificent marine mammals is a wonderful experience.

The town's history can be discovered at the [Picton Museum](#) or the [Edwin Fox Museum](#) – the world's 9<sup>th</sup> oldest ship, permanently moored on the foreshore. It's easy to spend time here, with local artworks on display, **galleries** and **souvenir gift shops** a plenty, or wander through the marina or explore the many **walks** or **mountain bike rides** in the area including the Snout Track through the Victoria Domain, Bobs Bay, Esson's Valley & [Tirohanga Track](#) offering great viewing spots. If you get hungry, sample the local cuisine at one of Picton's many waterfront **restaurants** or **sidewalk cafes & pubs**. For the kids, you can play mini golf on the foreshore, along with, a ride on the model railway or play in the playground and paddling pool.

[Kaipupu Point Wildlife Sanctuary](#) is a free public reserve open year-round, with natural ecosystems and native fauna now flourishing in an almost completely pest free environment, on a peninsula of land near Picton. Access is by the Queen Charlotte Steam Ship Company, water taxi or rent a kayak. Once on the headland, you can enjoy a 2.7 km circular track around the sanctuary through regenerating native forest. The track has a gentle grade, and there are seats and viewpoints at intervals along the way.

**Scenic Drive** - Picton to Rarangi on the coastal road through Port Underwood. This drive takes you from Picton, through Waikawa, past Karaka Point on to the beautiful bays of Port Underwood, where whaling took place in the 1820s and 1830s. A signpost indicates the site of the declaration of British sovereignty over the South Island and a cairn marks the place of the early mission station. Then on to the sheltered and scenic Whites Bay, terminal of the first telegraph cable that linked the North and South Islands, and finally the beach and cliffs at Rarangi. There are many opportunities to stretch your legs with short walks along the way. The distance for the round trip returning to Picton via SH1 is 75 km.

## Blenheim...

.. is situated in the heart of wine-growing Marlborough, so there are plenty of [winery cellar doors](#) you can visit either on a guided tour or on your own by car or bike. [Brancott Estate Heritage Centre's](#) cellar door and restaurant complex atop a hillock overlooking one of the original sauvignon blanc vineyards & the iconic Marlborough landscape is worth a visit, even if only for a coffee.

[Omaka Aviation Heritage Centre](#) is one of the world's largest private collections of Great War aircraft and artifacts in dramatic displays created by Wingnut Films, with mannequins by Weta Workshop – features Sir Peter Jackson's own collection of WW1 aircraft and artifacts.

Or next door is the [Omaka Classic Cars](#) – a unique collection of over 100 cars that gives you an insight into the Marlborough & New Zealand motoring from the 1950s to the 1980s.

[Makana Confections Boutique Chocolate Factory](#) is the ultimate chocolate experience. Watch delicious chocolates being made, and taste a few samples or shop for gifts and indulgences!

At [The Vines Village](#), you'll find a Cafe, Wine Cellar, Artisan Stores and be able to sample the best of Marlborough's art, craft, food, wine and design, family-friendly activities nestled amongst 4 hectares of tranquil lakeside.

The [Marlborough Museum](#) has an inspiring collection of items which tell the story of Marlborough including a replica street scene of Beavertown. Located in Brayshaw Heritage Park, here you can also enjoy admiring the vintage cars of the Vintage Car Club of New Zealand (Marlborough Branch) and over 200 vintage tractors (some very rare like the blackstone, Jelbart, Avery & Fitch Four Drive), as well as farm machinery, memorabilia and a fully restored 1882 pioneer cottage, at the Marlborough Vintage & Farm Machinery Society Inc.

Nestled in grape country, hidden behind high hedges, lies the private but nationally acclaimed [Upton Oaks Garden](#). A must see visit, for all who love the beauty of a romantic garden, that has been much filmed and photographed.

For walking and mountain bike tracks, head to the [Wither Hills Farm Park](#). A working New Zealand farm and once you've ascended the main ridge, you'll experience great views to the NW of the Richmond Ranges, Wairau Valley and over to Blenheim.

The [Wairau Bar](#), or Te Pokohiwi, is a 19 ha gravel bar formed where the Wairau River meets the sea in Cloudy Bay, Marlborough, north-eastern South Island, New Zealand. It is an important archaeological site, settled by explorers from East Polynesia who arrived in New Zealand about 1280. It is the earliest known human settlement in New Zealand. Discovered in the 1940's and now confirmed as the birth place of humans in New Zealand more than 700 years ago. The Marlborough Museum has an amazing exhibit of this sacred and unique site.

## Kenepuru Road and the Mahau & Kenepuru Sounds

To explore other areas of the Marlborough Sounds & for some stunning views, you can drive along the Kenepuru Road where you'll travel along both the Mahau & Kenepuru Sounds. If you want a challenging climb, the Mt Cawte Track from Moetapu Bay Road is a 3 hour loop or up and back – drive to the end of Moetapu Bay Road, park here and follow the track up to the high point 474m, a nice view with picnic tables, then either walk back the same way or continue on down to the road and walk back to your car (approx. 3.5 km along the quiet scenic road). Back to Kenepuru Road, at the **Ohingaroa Reserve**, you'll find a natural open space for relaxing & picnicking with a beach in the beautiful Kenepuru Sound.

Just minutes down Mahau Road (left turn off Kenepuru Road), you'll find the [Sherrington Honey Shop](#) – well-known for its Manuka honey, produced from the native manuka or New Zealand tea tree.

Driving on further you will come to **Te Mahia** Bay Resort where you can browse the gift shop and enjoy a coffee overlooking the sheltered bay in the Kenepuru Sound.

Back to the Kenepuru Road at **Mistletoe Bay**, there is a safe grassy area leading down to the beach in the bay for relaxing. If you feel like a short walk, the Peninsula Walk explores the peninsula between Mistletoe and Waterfall bays (30 minutes return). Or for an amazing view over the Sounds, take the Queen Charlotte Track from the road heading north ie towards Portage) – a short way along here you will see a sign for the [Onahau Lookout](#) – a steep zig-zagging climb up the hill – 1 hour return and well worth the effort for great views on a clear day.

Back on the Kenepuru Road, you'll come to **The Portage** – a resort with a restaurant and almost at the Kenepuru Head, is **Sandy Bay** with a large sandy beach and chairs & tables to sit & enjoy the view whilst having a picnic.

The start of the [Mt Stokes Track](#) (a 4-5hr return walk to the highest point of the Marlborough Sounds) is another 15km from here.

# Nelson

Just a 1½ hour drive along SH6 from Anakiwa, is the vibrant coastal town of **Nelson** - full of bustling cafes, charming boutiques and funky art galleries, waiting to be leisurely explored. Nelson is New Zealand's second oldest city and the art deco Nelson Cathedral stands guard over the city centre.

Wander down on a Saturday to New Zealand's famous and best [local market](#) in the middle of Nelson at Montgomery Square carpark, selling a range of organic, gluten free and local produce, as well as arts & crafts.

And enjoy a cold ale at the end of day shopping – **boutique wineries and craft brewers** are a plenty with serious pubs and breweries.

A short walk from the **Botanical Gardens** will take you to the [Centre of New Zealand](#) at the top of a small hill, overlooking the city and the Tasman Sea. The walk is straight up which means a great thrill when you arrive at the top.

Access to and from the port is through "The Cut" – a man-made gap in the remarkable 13 kilometre naturally occurring **Boulder Bank** with its elegant lighthouse.

**Tahunanui Beach** is a popular swimming spot just 5 minutes from the city centre.

Before arriving into Nelson city is **Hira** and the picturesque rural drive to **Cable Bay** with its sheltered pebble beach, unique causeway to Pepin Island separating the beautiful estuary from the ocean & the [Cable Bay Adventure Park](#), home to the world's longest flying fox, quad bike tours & archery.

Driving 1½ hours via SH63 from Anakiwa, you will arrive at **St Arnaud** - a small alpine village, west of the mountains of the St Arnaud Range near the historic Tophouse Settlement. The [Nelson Lakes National Park](#) here has two beautiful lakes, Rotoiti and Rotoroa with wonderful walks in and around. And if you're a snow skier and travelling NZ between June to October, [Rainbow Ski Area](#) is a sunny, family friendly field suited for beginners & intermediates.
